

BRICK CHURCH DIRECTIONS

You will want to go this way if your trailer is GREATER THAN 12' TALL

From Downtown and South of Nashville Take I-65 north to the Long Hollow Pike exit (#97) and turn left. Turn right at Dickerson Road heading north for approximately 1/4 mile and make a left onto Brick Church Road. Go approximately 3.2 miles—it is a winding road with a steep grade about 3 miles in. Make a right—go about 3/4 of mile and make another right at the stop sign when the BP is visible. Pass the BP on your left and angle left road. Go straight approximately 1 1/2 miles and turn left onto Ivy Point Road (just before the church). The racetrack is on the right 1/2 mile.

Follow the pictures and make turns only at the pictures. You can also take this route from Kentucky I-65, exit #98, but you have to go south on Dickerson Road (3/4 mile) and “pass” the campground on the right (one and only set of lights) and make a right on Brick Church. Follow the pictures —
